

EXPAT IN NORTH MACEDONIA: STAY UPDATED ON THE COVID-19 SITUATION!

Latest News: The Government proposes declaration a state of emergency (March 18, 2020 16:23 pm).

If you are expat in North Macedonia, it may be challenging for you to follow and communicate all information released by the North Macedonia's Government authorities, due to the language barrier. To easy your day to day life in the country, we have prepared a handful of information we believe might help you better cope with the situation in the country.

Important Information

- Due to the Covid-19 outbreak, the government of North Macedonia announced that is closing both airports in the country in the following order: in Ohrid St. Paul the Apostle effective from 00:00 am on Sunday, March 15th and Skopje International Airport effective from 00:00 a.m. on Thursday, March 19, 2020
- IMPORTANT: Foreign citizens are permitted to depart North Macedonia through Skopje International Airport prior to its closure at 00:00 a.m. on Thursday March 19, 2020. Travelers should work directly with air carriers or travel agents to confirm, arrange, or reschedule travel.
- Land borders with all neighboring countries, including Albania, Bulgaria, Greece, Kosovo, and Serbia, are currently closed.
- Only citizens and legal residents of North Macedonia are allowed entry into North Macedonia following the protocol confirmed by the local authorities.

Protect Yourself!

If you feel sick within 14 days or less of returning from abroad and have symptoms such as fever, coughing or difficulty breathing, call one of the following phone numbers, closest to your current place of residence! Tell the doctor about your health status and travel history!
