

## LAW-MAKING & IMPLEMENTATION COMMITTEE

### General Information

This committee will focus on advocating for inclusion of the business in the law-making processes; ensuring more effective implementation; and highlighting the importance of the local economy in cooperation with the Government officials, other business organizations and the international community; on proposed laws, programs and strategic plans.

### Committees' General Mission is:

- Representing members' business interests to help shape policies.
- Offering authoritative viewpoints to build understanding among authorities.
- Providing alerts and proactive advice to the business community.
- Strengthening AmCham's culture of networking opportunities.
- Raising the profile of AmCham and increasing its visibility.
- Encouraging feedback from inside and outside AmCham and acting upon it.

**Chairperson:** Tatjana Shishkovska, Partner, Polenak Law Firm
